

AMERICAN SHROPSHIRE REGISTRY ASSOCIATION

HALL OF FAME

The Shropshire breed and its breeders are rich in history. The American Shropshire Registry Association (ASRA) has developed the Hall of Fame to honor people/families that have had a profound and positive impact on the growth, development, and legend of Registered Purebred Shropshire Sheep in the United States. The award will consist of a certificate with the recipient and/or farm name. The award will be presented/mailed to the recipient, if the recipient is deceased, the award will be presented to a family member. The recipient's name will be added to the American Shropshire Registry Association Hall of Fame list that shall be printed in "The Voice". It is the ASRA Board of Directors goal to embrace, celebrate and honor those people/families who have been historically influential to the Shropshire Breed.

From 2021-2025, one to four shall be elected to the Hall of Fame each year. Thereafter, up to two shall be elected each year.
